Gingerbread Ornament..... 5

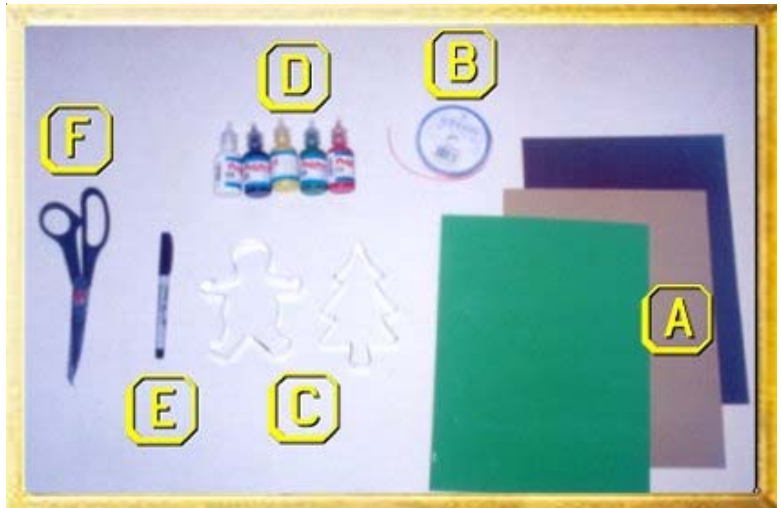

Gingerbread Ornament

Can you believe that it is almost Christmas! It's almost time to get the tree up and trimmed . My craft this month is a lovely **Gingerbread Ornament** you can use to decorate your tree. It is really easy and you can make all sorts of ornaments with other cookie cutter shapes and different colored floam as well. Have fun making this for yourself and for your friends and family.

Items you will need:

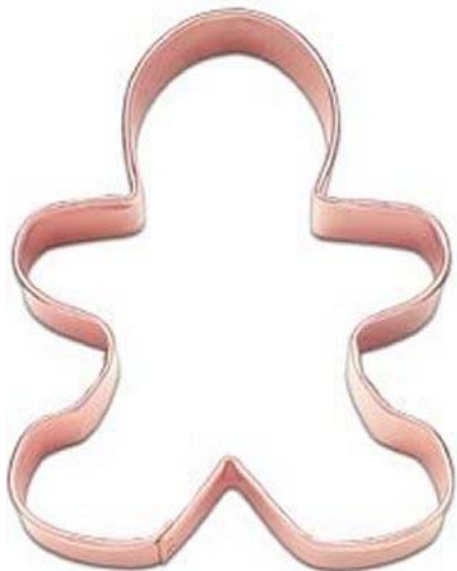

- A Floam (Brown)
- B Thin Ribbon
- C Gingerbread Man Cookie Cutter
- D Puffy Paint (**Red, Black, White, Green, and Yellow**)
- E A **black** marker
- F Scissors

[\(Order Items Online\)](#)

Step 1

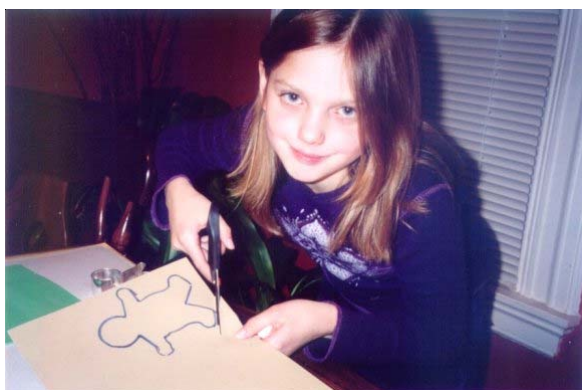

Use this Gingerbread Man cookie cutter shape if you don't have one of your own.

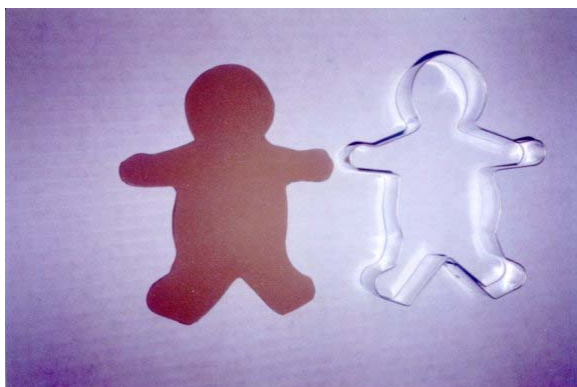

Step 2

Trace the Gingerbread man cookie cutter with a black marker onto the brown sheet of foam.

Step 3

Cut out the shape.

Step 4

When finished cutting, your Gingerbread man should look just like your cookie cutter.

Step 5

Use your puffy paint and draw in a face and an outfit onto your Gingerbread Man. You can follow my design or come up with your own.

Step 6

Allow the paint to dry over night.

Step 7

Poke a tiny hole in the top of the Gingerbread Man's head and thread a ribbon through the hole. Tie it in a loop.

Step 8

And here you have your finished Gingerbread Man ornament all ready to take his place on your Christmas tree. Make sure you put the date on the back of your ornament so you can always remember when you made it!

Craft Bonus

Here are some other neat cookie cutter shapes that will be fun to make and they'll look great on your tree.

Designing Online

Designing Online was started as a simple idea of providing furniture placement advice through the Internet. Although still a vital part of Designing Online, we have grown so very much and have branched in many different directions.

The current family of websites created and maintained by Designing Online, Inc, include:

Designing Online - <http://www.designingonline.com>
Dreams Alive Magazine - <http://www.dreamsalivemagazine.com>
