This is a nice craft to put you in the mood for spring. It is easy and it looks so cheery on my bedroom wall. I hope you enjoy making it as much as I did!

Items you will need:

- 1 Flexi-Foam Sheet (12" x 18")
 - 2 Round Mirror (6" in diameter)
 - 3 Tacky glue
 - 4 Mod podge
 - 5 Sheet of flowers

-
- A Dinner plate (12 inches)
 - B Scissors
 - C Thin marker
 - D Foam paint Brush

Step 1

Place the dinner plate on the Flexi-Foam and use the thin marker to trace the shape of the plate onto the flexi-Foam. Put the plate aside when done.

Step 2

Take the mirror and place it in the center of the circle you just drew. Use the thin marker to trace the shape of the mirror onto the Flexi-Foam. Put the mirror aside when done.

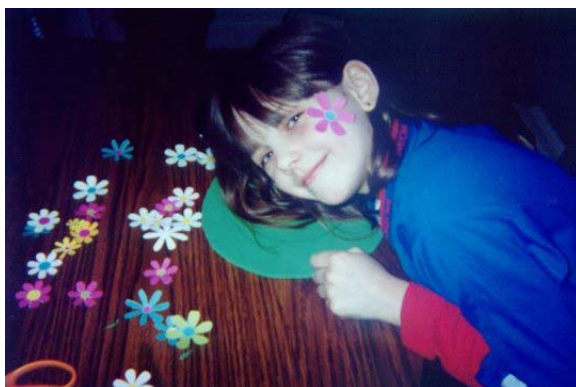

Step 3

Cut the Flexi-Foam around the edge of the larger circle.

Step 4

Print the sheet of flowers provided at the end of this craft. If you only have a black and white printer, color the flowers with markers. Using scissors cut out all the flowers.

Step 5

Oh yeah, we're kids. Have Fun Too!!

Step 6

Arrange the flowers in the rim around the flexi-foam to get an idea of good placement of the flowers. Remove the flowers and set aside.

Step 7

Use your sponge paint brush to spread the modge podge around the rim of the circle. Stick the flowers on the modge podge. It works like glue. Make sure you press them down hard.

Step 8

When the Modge podge dries, put another layer of modge podge over the top of all the flowers. Spread it out evenly. Let it dry.

Step 9

Take the mirror and cover the back with Tacky glue.

Step 10

Place it in the center of the flex-foam and push it down hard. Let it dry over night.

Step 11

Take the scissors and carefully poke a hole in the top of the flexi-foam.

Step 12

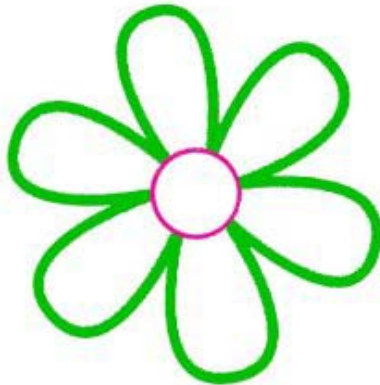

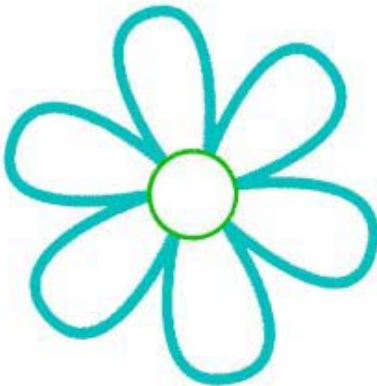

Feed the ribbon through the hole and tie it together. This is what the mirror will hang on the wall from.

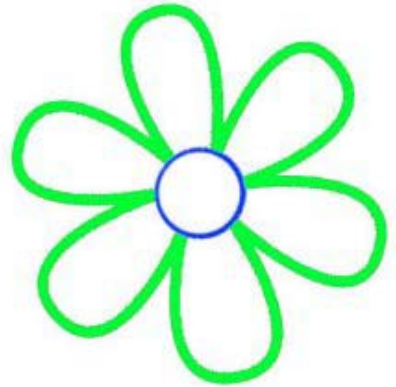

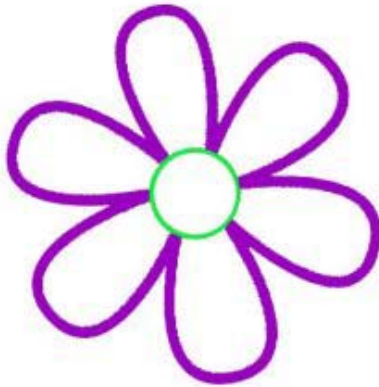

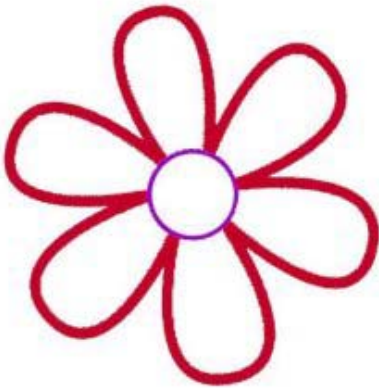

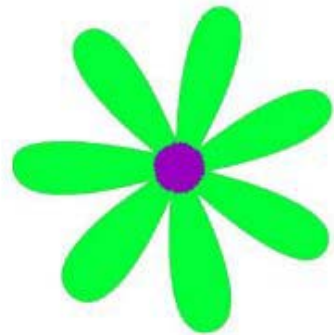

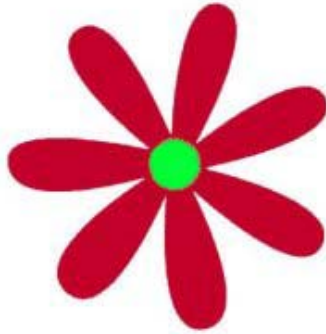

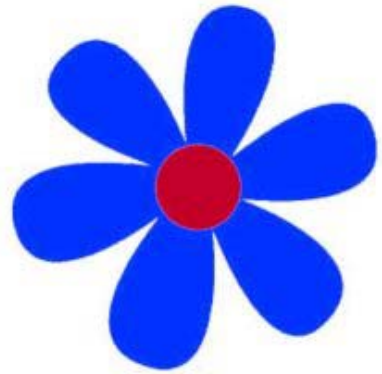

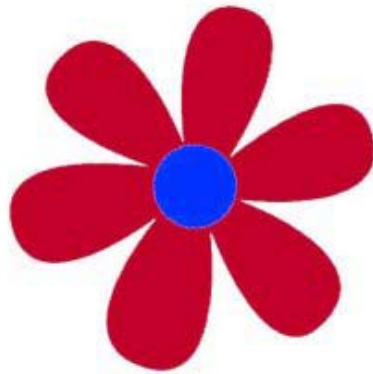

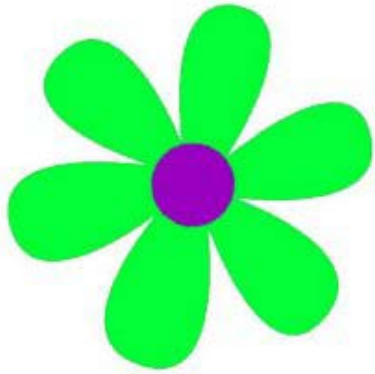

Step 13

Hang your finished mirror on the wall for all to enjoy!
