Star Whirler 5

Star Whirler

Hello everyone! For this issue of Dreams Alive I have chosen to make a beautiful red, white, and blue Star Whirler. It is fun to make, as you will see, and it is a nice decoration for Independence Day.

Items you will need:

- A Scissors
- B 3 sheets of 12 x 18" Foam: 1 red, 1 white, and 1 blue
- C Silver or gold glitter
- D 3 Ribbons 10" each: 1 red, 1 white, and 1 blue
- E Foam paintbrush
- F Blue acrylic paint
- G Small Star Stickers
- H Wooden dowel (1/2 inch around and 1 foot long)
- I Tacky Glue
- J Star Pattern (included with this craft)

[\(Order Items Online\)](#)

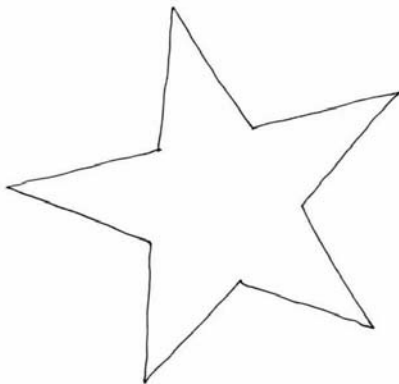

Step 1

First you take the wooden dowel and you paint it blue. Let this dry for an hour.

Step 2

Go to the end of these craft instructions and and cut out the pattern of the star.

Step 3

Trace the star once onto each of the three sheets of foam (**Red**, **White**, and **Blue**)

Step 4

Cut the stars out of the foam.

Step 5

On each of the three stars make designs or patterns with the tacky glue. Then sprinkle glitter (either **gold** or **silver**) onto the glue and shake off the excess. Let dry for at least one hour or until it is completely dry.

Step 6

While waiting for the glue to dry, sit back, relax, have some pizza.

Step 7

Take your star stickers and decorate the wooden dowel.

Step 8

When your stars are completely dry, take and glue one ribbon onto the back of each star. Let dry completely.

Step 9

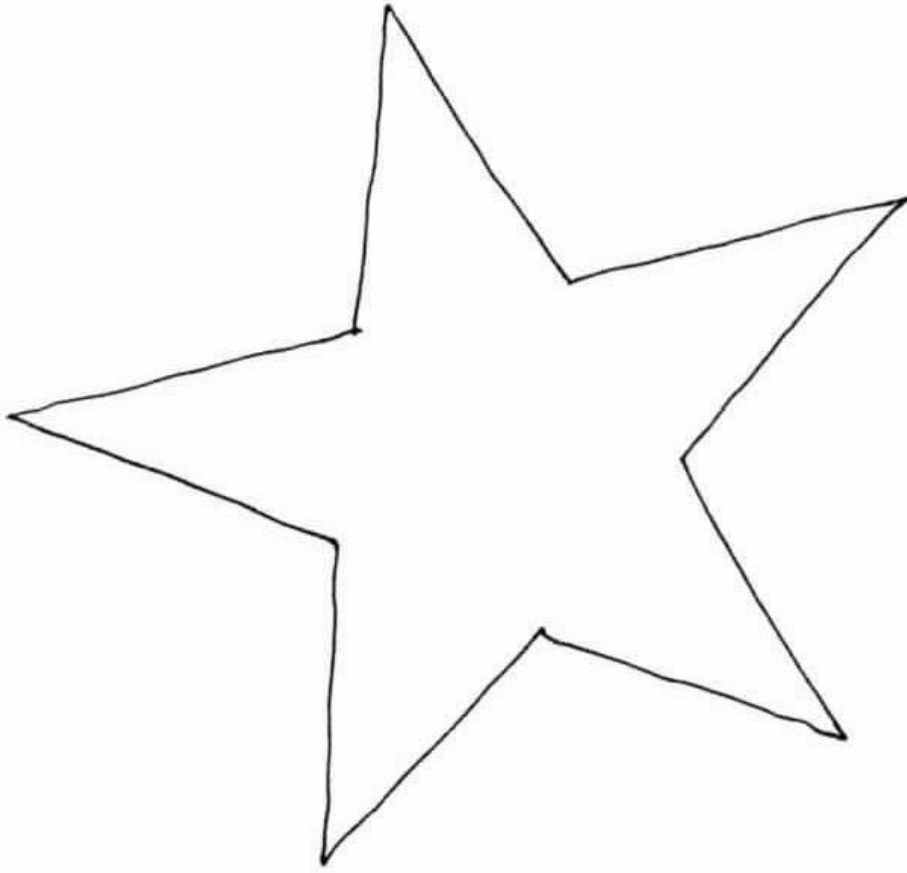

Finally, tie the ends of the ribbons to the wooden dowel.

Step 10

You have completed your beautiful and fun star whirler!
